

JOHN H. WICKIZER.

MARCH 23, 1860.—Ordered to be printed.

Mr. TAPPAN, from the Committee on Claims, made the following

REPORT.

The Committee on Claims, to whom was referred the petition of John H. Wickizer, asking for "pay for services rendered in California in taking the census," have had the same under consideration, and beg leave to report:

That the petitioner was appointed an assistant marshal for taking the census in California, and finding the office less lucrative than he anticipated he now applies to Congress for additional compensation. A similar claim was presented by Daniel H. Johnson, and reported on adversely by your committee on the 14th of February. Referring to the decision in that case, your committee report this with a recommendation that the prayer of the petitioner be not granted.
